Abhishek Gajji

Strategy & Analytics | Business Transformation | Financial Modelling

Strategy and analytics professional with 5.5+ years across real estate, manufacturing and metals and mining research. Delivers 15–30% KPI improvements through analytics, automation and process optimisation, and drives an AED 5Bn+ inventory portfolio strategy at Samana Developers. Manages CXO, SVP, VP and Plant Head stakeholders across 3 continents. 2x Microsoft Certified; MBA from SPJIMR with INSEAD.

EXPERIENCE

Assistant Manager | Sales Operations Analytics

Oct 2025 – Present

Samana Developers (promoted from Analyst)

SAMANA

- Executed AED 5Bn+ inventory portfolio strategy (pricing, payment plans, discounts), lifting inventory turnover by [X]%
- Built 15+ investor deal analyses and financial models, optimising deal structures and increasing closures
- Cut Oqood registration time 25% by resolving operational bottlenecks, reporting directly to the Head of Operations
- Led Sales Ops IT system enhancements: reporting accuracy up 30%, data retrieval time down 50%
- Delivered leadership dashboards and insights driving 15–20% improvement in business KPIs
- Led root-cause (RCA) diagnostics, improving decision accuracy 25–30%; automated workflows cut manual effort 40% and turnaround time 30%
- Established a master data governance framework: data accuracy and consistency up 35%

Consultant (Grade 9 → Grade 8)

Feb 2021 – Sep 2023

Fractal Analytics

FRACTAL

- Microsoft-certified Power BI consultant: delivered 20+ dashboards and end-to-end Power Platform projects across multiple data sources and teams
- Co-Head of Power Platform SME team; trained 120+ analysts in Power BI and Power Apps
- Built dashboards and automated reporting: manual reporting time down 40%, clearer KPI visibility
- Defined a Power Platform integration roadmap and IT risk and governance strategy for real-time strategic decisions
- Partnered with CXO, SVP, VP and Plant Head leaders to improve productivity and efficiency across 30+ manufacturing sites
- Led market research across 3+ sectors and competitive benchmarking: informed US\$2M+ strategic investments and 15% higher market share in target segments

Analyst I → Analyst III

Jun 2019 – Feb 2021

Avalon Global Research

AVALON

- Conducted industry research using McKinsey, Gartner, Reuters, Bloomberg, WoodMac, CRU, World Bank and Statista data
- Developed lithium supply chain reports covering production, demand forecasts and pricing dynamics
- Built DCF, NPV and scenario-based models, and feasibility models for new copper and lithium mines across Australia and South America
